PERFORMANCE RESPONSIBILITIES:

- Assists the Executive Director to develop and oversee the District's capital budget associated with security services and functions.
- Responsible for all security operations and service levels for all security alarm systems (fire, intrusion, hold-up, freezers, coolers) central station alarm monitoring, and dispatch services.
- Responsible for developing and implementing standards, procedures, and processes for school and district-level crisis response plans, serving as backup emergency operations official for the District.
- Shall be able to present directly to the School Board on Safety and Security Technology Projects.
- Responsible for formulating district policy on school security, and emergency management matters.
- Responsible for all employee, substitute employee, contractor, student, and visitor identification systems district wide.
- Responsible for the day-to-day operations and technical support of all school and district (inter-governmental) two-way radio system operations.
- Oversees and coordinates the Operations & Communications Center and its 24/7/365 staffing and technical operations.
- Serves as the backup to the Executive Director of Safety, Security & Emergency Management in his/her absence and acts as a liaison with public safety authorities and school resource officers on all matters affecting school security.
- Assist with emergency shelter operations.
- Work in collaboration with and a professional relationship with the County's 911 Communications Center and the Office of Public Safety Communications.
- Plans for human resources, equipment procurement, electrical power, cable requirements, and code compliance for all security systems.
- Coordinates safety and security grants and alternative funding resources.
- Ensures all incidents, work orders, and service requests are completed, documented, and communicated in a professional and timely manner.
- Ensures infrastructure hardware and software is updated according to supporting vendor, providing a stable, scalable, and reliable central station operation and security enterprise.
- Manages the district wide security operations infrastructure to ensure the integrity of data information as it applies to School Board, State, and Federal laws and guidelines.
- Reviews vendor services as they apply to the production environment.
- Disseminate information and current research to appropriate personnel.
- Keep well informed about current trends and best practices in areas of responsibility.
- Assist with developing and coordinating cooperative agreements, interagency agreements, and contract with other agencies.
- Manages project timelines so strategic milestones are achieved.
- Develop annual goals and objectives consistent with and in support of District goals and priorities.
- Attend training sessions, conferences, and workshops to keep abreast of current practices, programs, and legal issues.
- Supervise assigned personnel, conduct annual performance appraisals and make recommendations for appropriate employment action to include mentoring and coaching so each staff member can reach individual goals.
- Prepare or oversee the preparation of all required reports and maintain appropriate records.
- Serve on District, state, or community councils or committees as assigned or appropriate.
- Provide leadership and guidance in the development of annual goals and objectives for assigned department or programs.
- Perform other incidental tasks consistent with the goals and objectives of this position.
- Every Sarasota County Schools employee has emergency response responsibilities, though not every position will require routine assignments during an emergency event. All employees are subject to recall

DIRECTOR OF SAFETY AND SECURITY TECHNOLOGY, SAFETY, SECURITY & EMERGENCY MANAGEMENT (Continued)

around the clock for emergency response operations, which may require irregular work hours, work at locations other than the normal work location, and may include duties other than those specified in the employee's official job description. Assignments in support of emergency operations may be extensive, with little advance notice, and may require employees to relocate to emergency sites with physically and operationally challenging conditions.

- Sustained focus and attention to detail for extended periods.

PHYSICAL REQUIREMENTS:

Heavy Work: Exerting up to 100 pounds of force occasionally, and/or up-to 50 pounds of force frequently and/or up-to 20 pounds of force as needed to move objects.

TERMS OF EMPLOYMENT:

Salary and benefits shall be paid consistent with the District's approved compensation plan.

Length of the work year and hours of employment shall be those established by the District.

EVALUATION:

Performance of this job will be evaluated in accordance with provisions of the Board's policy on evaluation of personnel.
